## the commitment

I agree to invest  % of 9carrots customers' purchases

in

costing an estimated £

### Notes:

- you can change how much you commit (at one week's notice), but the minimum is 10%
- the exact project cost can be provided later when a supplier has given you a quote
- the investment must be made within a month of reaching the target
- if there's some reason you can't or don't want to make this purchase, we'll need to agree another eco-friendly investment to spend the money on
